##### **Sanctum Vaults & Plaque**

The new Garden of Remembrance has been created to provide an area where residents can scatter their loved ones' ashes, or keep them above ground in a secure vault. It will provide a tranquil area where families can sit and be alone with their own thoughts.

We offer various ways of marking those memories including The Sanctum Memorial Vault. These above ground vaults are available as single units which can accept a maximum of two Balmoral caskets. Made from polished granite, the unit includes a vase and granite tablet which is supplied with a small motif as standard with the first inscription. Additional lettering, photoplaques and bespoke designs are available as optional extras.

##### **Barbican Tower Plaques**

These plaques serve as a lasting tribute and a focal point within the centre of the garden. They can be ordered in a range of designs, with motifs and photographs where desired. The space is leased for a fixed period of time and can be extended.

##### **Kerb Block & Plaques**

The kerb blocks sit at the edges of the path and over time will form a lasting border. Again these can be ordered with just a simple inscription or a more intricate bespoke design. The block is leased for a fixed length of time.
