Dear Parent / Guardian,

### **Immingham Town Council Swimming Scheme**

After a review it has been decided to change the way in which the Immingham Town Council Swimming Scheme is delivered at Immingham Pool.

What this means to you is that your child will now receive a funded place for thirteen weeks only. In an attempt to reduce the level of absenteeism a bond will be payable for new pupils entering on to the scheme of £14.70, which is the equivalent to two lessons. Should your child fail to attend for more than two lessons then the lessons will be suspended.

After the thirteen-week period if you would like to continue with their swimming development, you will need to pay to enroll your child with the swimming pool's own lesson scheme.

Children eligible for the Town Council funding need to be over the age of four and currently residing in Immingham. We feel that it is an excellent use of money to be able to get every child in the town safe in water.

The Town Council hopes that your child's time at the pool is a good learning experience with plenty of fun and opportunity to achieve water confidence.

Vanessa Suddaby
